Bad Weather Policy

November 2023

Llandovery College will make every effort to stay open during periods of bad weather but occasionally must close in the interest of safety.

In case of bad weather

Weather conditions will be monitored by Senior Leaders and, if weather deteriorates during the school day, advice will be sought from Carmarthenshire Council, Police, BBC Wales weather service etc.

Closure of the College to Day Pupils is a **LAST RESORT** and this decision can only be taken by the Warden or, in his absence, the Deputy Warden.

If it is decided to send pupils home and send buses home early, parents will be contacted via iSAMS text messaging service.

Boarders

If the College is closed to Day pupils, boarders should be registered in the Boarding Houses after breakfast and remain in the Houses until a revised timetable for the day has been agreed upon.

It may be necessary to run an alternative programme of activities if large numbers of pupils/staff are absent – a member of SLT will co-ordinate and direct pupils as required.

Wherever possible, lessons will take place via Teams and/or work will be uploaded for pupils to access from their own devices.

Staff

Support staff (including domestic and catering staff) must inform **Reception** as soon as possible if they are unable to get in. Teaching staff should contact the **Assistant Warden Academic & Operations**.
