## UNIFORM (Prep School)

Students are expected to arrive at school wearing full uniform with black shoes unless the Deputy Head provides consent for alternative clothing to be worn, for example sports kit for a competitive fixture. With all the varied activities going on at the school it is sometimes difficult for younger students to manage a large amount of kit and/or uniform so there is more leeway for them to wear College sportswear to school. For sports activities and physical education we require students to wear the appropriate Llandovery College sportswear, which is available to purchase from the School Shop. Having the correct kit is integral to the rules and safety elements of sports activities and as such forms part of the selection policy for competitive fixtures and events.

Uniform can be purchased at the College Shop which is situated just off the concourse in the main school building and is open at set times throughout the summer holidays. There is a 2.5% charge for credit card payment.
